# Who's on your team?

9am-5pm, Sunday 8 October

As singing teachers we often encounter singers with vocal health challenges. *Who's on your team?* will assist you to explore your role as a singing teacher in working with and referring to medical and allied health professionals - also known as a Vocology Team. Spend the day with a team of passionate allied health and medical professions who will provide you with insight, hands-on examples and practical solutions in today's vocal health challenges. There will be plenty of opportunities for you to bring your questions to the experts.

## Presenters

Sessions will include the following :

- **Elissa Finn**, Vocologist - *Vocology for Singing Teachers*
- **Anna Yen**, Feldenkrais practitioner - *Feldenkrais for Singing Teachers*
- **Scott Cook & Karri Field**, Physiotherapists - *Physiotherapy for Vocal Athletes*
- **Dr Elizabeth Hodge**, Laryngologist and **Dr Ron Morris**, Audiologist and Speech Pathologist - *Disorders and Treatments of the Ear, Nose and Throat in the Singing Studio*

## Registration Fees

Registration includes lunch, morning and afternoon tea
